Art Unit: 1734

1. The following is an examiner's statement of reasons for allowance:

In a transmission device of a laminating machine, the prior art does not teach or make obvious the concept of the specific combination of a board, located external to the side board, a positioning hole and a guiding slice being disposed on the board toward the side board, the guiding slice being installed outside and adjacent to the guiding block, the positioning axis being inserted to the positioning hole, a stem being extended from the board, an elastic part with its top connected to the side board and its bottom connected to the board, when the stem is pressed down, the board rotates about the positioning hole and drives the motor to separate the outer gear with the lower gear and stop the rotation of the lower gear in the manner claimed by the applicant.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James Sells whose telephone number is (571) 272-1237. The examiner can normally be reached on Monday-Friday between 9:30 AM and 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Chris Fiorilla can be reached at (571) 272-1187. The fax phone number for the organization where this application or proceeding is assigned is (703) 872-9306.
